Hoover's G.D.-S.P. Catalog, in the France section, under **Banque centrale des etats de l'Afrique de l'ouest.**

It's in the France section because it was published in Paris, France at one time.

More recent pamphlets are in the **Hoover Archives** in the country subject collections, such as the Botswana Subject Collection, the Liberian, Chadian, South African, Lesotho or other Subject Collections.

Call No. XXXX

#### 5. HOOVER ARCHIVAL COLLECTIONS

In the Hoover Archives (next to Green Library), find collections by Country or Subject – see the folders on top of the Hoover Archives Card Catalog. If a collection has a printed inventory, you will find it in the black binders in the Hoover Archives Reading Room.

SOCRATES provides entries for each collection but does not include **detailed** listings of collection contents.

A few collections in Hoover and Green libraries have finding aids online at the Online Archive of California. <http://www.oac.cdlib.org/>

There are separate links for [Hoover Institution](#) and for [Stanford University](#) holdings.

#### 6. HOOVER GOVERNMENT DOCUMENTS / SOCIETY PUBLICATIONS CATALOG.

The GD/SP Catalog is in the Hoover Reading Room, 1<sup>st</sup> Floor. It's holdings may be listed in SOCRATES without subject headings and lacking Library of Congress call numbers. The GD/SP Catalog has older government publications, older monographs, and some serials published by societies or organizations.

It contains for example -

- journals published by “societies” or political parties such as the CIVIL RIGHTS LEAGUE. NEWSLETTER.
- Older legislative proceedings, such as:  
South Africa. Coloured Persons Representative Council. Debates.  
South Africa. South African Indian Council. Debates.  
South Africa. House of Assembly. Debates.  
South Africa. House of Delegates. Debates.  
South Africa. House of Representatives. Debates.  
Owambo. Legislative Assembly. Proceedings.

**Many of the catalog cards for legislative debates do not list complete holdings.** Just request the dates you want. If they are available, the pages will retrieve the volumes.

Publications in the GD/SP Catalog are found **under the country where they were published.** For example, a newsletter published by the African National Congress in exile in Zambia is listed in the Zambia section, not in the South Africa section.

Examples of titles in the GD / SP Catalog.

**Rhodesian Institute of African Affairs.  
Monthly Bulletin.**

Bulawayo  
Nos. 1-101; June 1956-Aug/Sept. 1965
